

Remarks

In response to the Office action dated March 18, 2010 in which the examiner deems claims 5-7 to be allowable, per the above amendment, the subject matter of claim 5 has been incorporated into claim 1. Claim 5 has been canceled. Claim 4 has been amended to rid the indefiniteness problem noted by the examiner.

With this amendment, the application is believed to be in condition for allowance. The examiner is therefore respectfully requested to enter this amendment and pass the case to issue at an early date.

Respectfully submitted,
